

# RECARO

## RECARO STYLE XL AND STYLE XL TOPLINE

See and feel the difference

You will immediately see and feel the difference from the RECARO Style XL seat. This aftermarket seat by RECARO has inspired many of the designs you see in new import and sport luxury vehicles. But only a RECARO seat combines style with world-renowned ergonomic technology, comfort and aggressive driving support performance. No other seats rival the quality handmade craftsmanship of real RECARO seats. You and your vehicle deserve the Style XL seat. It is everything a car seat should be and more...

# RECARO Style XL

## RECARO Ergonomics:

Each RECARO seat is designed to support the natural S curve of the spine. The human body isn't designed for long periods of sitting. RECARO seats are designed to align the spine in its most natural and healthy position.

## Airmatic Lumbar System:

Two independently power adjustable air chambers make up the Airmatic Lumbar System. Adjust the lumbar to meet your comfort needs.

## Adjustable Back Bolsters:

Driving in a RECARO seat is not all about correct sitting. It is about performance too. The independently adjustable back bolsters adjust to your body. Control the width of the bolsters to perfectly cradle your body.

## Adjustable Backrest:

Easy manual dial mechanism moves the backrest into the correct and comfortable driving position.

## Adjustable Headrest:

The headrest of the seat can be adjusted up, down as well as tilting forward to comfortably support your head and neck.

## Bearing Mounted Seat Cushion:

Unique to any other aftermarket seats available in North America the Style's integrated shock absorbing system provides the ultimate in comfort.

## Thigh Extension:

Thigh extension manually adjusts the length of the seat cushion.

## Style XL Topline:

The Style XL Topline model includes each of the premium features offered on the RECARO Style XL. The Topline model also comes equipped with a full RECARO Climate package with seat heat and cooling, power seat back adjustment and power seat height adjustment.

Adjustable Back Bolsters

Dual Cell Airmatic Lumbar System
