## RECARO STYLE BENEFITS

## Design must be functional – the perfect combination of comfort and design.

The RECARO Style appeals to demanding individuals for whom lifestyle doesn't stop at the car door. Revolutionary technology, excellent comfort and safety packed in an attractive sporting design. The adjustable side bolsters add lateral support for enhanced driving.

The RECARO Style Topline upgrades the standard line with a combined electrical seat height and tilt adjustment and the RECARO climate package (RECARO vent® system, seat heating) for even more comfort.
